Girl on a Tractor

Cesta ke štěstí (r. Jiří Sequens, 1951)/

Way Leading to Happiness (dir. Jiří Sequens, 1951)

The lyrics of the song: *The earth is ringing, 25 lively horses are going through it.
There's a tractor driver on the Zetor, sharp eyes, sure hands.*

*In the sea of air an airplane,
tractor drivers of vast fields.*

*In the sea of air an airplane,
tractor drivers of vast fields.*

*Even the earth hurts the farmer
the whipped ploughs of the fields.*

*The farmer worked like a dog, we'll plough the old boundaries.
Old boundaries, old patterns, we'll settle into the tractors.
Old boundaries, old patterns, we'll settle into the tractors.*
